

COMPANY PROFILE

Built on Trust, Delivered with Precision

WHY CHOOSE US

What sets Savannah Construction apart.

01

Proven Track Record

Years of successful delivery across residential, commercial, and infrastructure sectors.

02

Transparent Communication

Regular updates, clear timelines, and honest conversations at every stage.

03

Quality Craftsmanship

Meticulous attention to detail with skilled tradespeople who take pride in their work.

04

On-Time Delivery

Disciplined project management ensures we meet deadlines without compromise.

05

Client-Centric

Your vision drives every decision. We listen, adapt, and deliver.

06

End-to-End Service

From consultation through to handover, we manage every aspect seamlessly.

OUR SERVICES

Comprehensive construction solutions tailored to your vision.

01

Main Contracting

Full-scope project delivery from foundation to finish, managing every trade and timeline with precision.

02

Carpentry Contracting

Delivering commercial framing, fit-out, finishing and site-based construction services across New Zealand.

03

Design & Build

Integrated design and construction under one roof for seamless, efficient project execution.

04

Renovations

Transforming existing spaces with precision upgrades, modern solutions, and minimal disruption.

05

Consultation

Strategic advice, feasibility assessments, and planning support for your next project.

ABOUT US

Savannah Construction is a New Zealand-based construction company delivering excellence in general contracting, design-build, renovations, and infrastructure.

We combine quality craftsmanship with transparent communication to create structures that stand the test of time. Our team brings decades of combined experience, ensuring precision from planning through to handover.
